

Dansk Padel Forbund - Denmark

Padel Instructor Level 1 Exam

KLAUS WERNER

Personal Profile

Athletic	Very Good
Behaviour	Very Good
Sports Background	Very Good
Other Sports Educational	Unknown

1. Teaching test

It is evaluated the ability to organize a group of 4 beginners and to teach them a fundamental shot. Everything will have to be done by following the schema and content provided in the Course.

The assigned score will match a certain qualification and you will get the sum of the individual ratings:

- Capacity to organize the lesson: introduction, first part with teaching progression, second part with individual corrections of errors, third part with practical exercises on the taught shot, conclusion.
- Ability to technically demonstrate the shot to be taught and the various practical exercises.
- Ability to observe, analyze and recognize the technical difficulties and errors of individual students and to teach specific settings and appropriate exercises.
- Ability to teach, not only speaking and repeating the lesson but conducting it by making best use of current pedagogical concepts.
- Personality demonstrated in conducting the lesson and its appearance in relation to the teacher's figure.

Score =	80,00	<i>Tester's opinion</i>
Skill Test =	80,00

Dansk Padel Forbund - Denmark

Throw balls with your hand =	Very Good
Use of the ball-basket =	Very Good
Explain a random shot or topic =	Very Good
Way of teaching and tone of voice =	Very Good
Control of pupils =	Very Good

Qualification Obtained = Instructor Level 1.b.

2. Player's Technical Analysis Test. Errors Correction

It is evaluated the ability and the experience to analyze a beginner or mid-level player technically. When observing a student or a demonstration player, one must recognize the most obvious technical error and correcting it by writing the two evaluations on a sheet: error and correction. In this test there are 9 errors to be evaluated.

Score =	80,00	Find errors and indicate good corrections.
---------	-------	--

Qualification Obtained = Instructor Level 1.b.

3. Game Trial

It is evaluated the ability to demonstrate, respecting the principles of the method taught, with valid technical movements, all fundamental and special shots (70 %). The evaluation will also express the level of play, and hence the accuracy during the demonstrations (30 %).

Score =	80,00	Very Good
---------	-------	-----------

Qualification Obtained = Instructor Level 1.b.

4. Organization of a section of Technical-Tactical Exercise

It is evaluated the ability to present, organize and conduct hands-on exercises with players. You will verbally explain an exercise in which the ball will have to stay in play for a long series of exchanges. It is also evaluated the ability to play during this exercise in order to keep the ball in play by adjusting to the level of the various players and respecting the tactics proposed.

Dansk Padel Forbund - Denmark

Score = 80,00 Very Good.

Qualification Obtained = Instructor Level 1.b.

5. Written Test

They are evaluated the various cognitive aspects of the method taught: technical, tactical, organizational, corrective; and also history and official rules of Padel in general. The test is divided into questions of different type and complexity: "American test", "true or false", "short answers" and "descriptive".

Score = 75,00 points

Qualification Obtained = Instructor Level 1.b.

Tester's general comment

He has a very good profile, and right behavior and approach to the teacher and to the new challenges.

He has performed experience giving lessons in a Padel Club.

It was demonstrated clearly his interest to maintain up-dated his knowledge and technical skills.

It is clear his vocation to be a performed Padel-teacher.

He has got sufficient technical knowledge and tactics to teach, in fact he already performs this work.

I think that he soon will be ready to makes level 2 course, and with more experience, in the future, he can be a great padel instructor.

Final Qualification Obtained = Instructor Level 1.b.
